Subject: **Docket No. 2013-199-WS**

The Fairwood Homeowners Association would like to request a hearing concerning **Docket No. 2013-199-WS** to be held in Union County, South Carolina.

The members of the Fairwood Homeowners Association feel that the monthly residential sewer increase requested by United Utility Company going from \$53.50 per unit to \$83.39 per unit is excessive and will place an unfair economic burden on the residents of Fairwood Subdivision.

Thank you for your help concerning this hearing request.

Sincerely,

Paul Winters
